MUNHISCO

ANNUAL OF MUNHALL HIGH SCHOOL, MUNHALL, PENNSYLVANIA

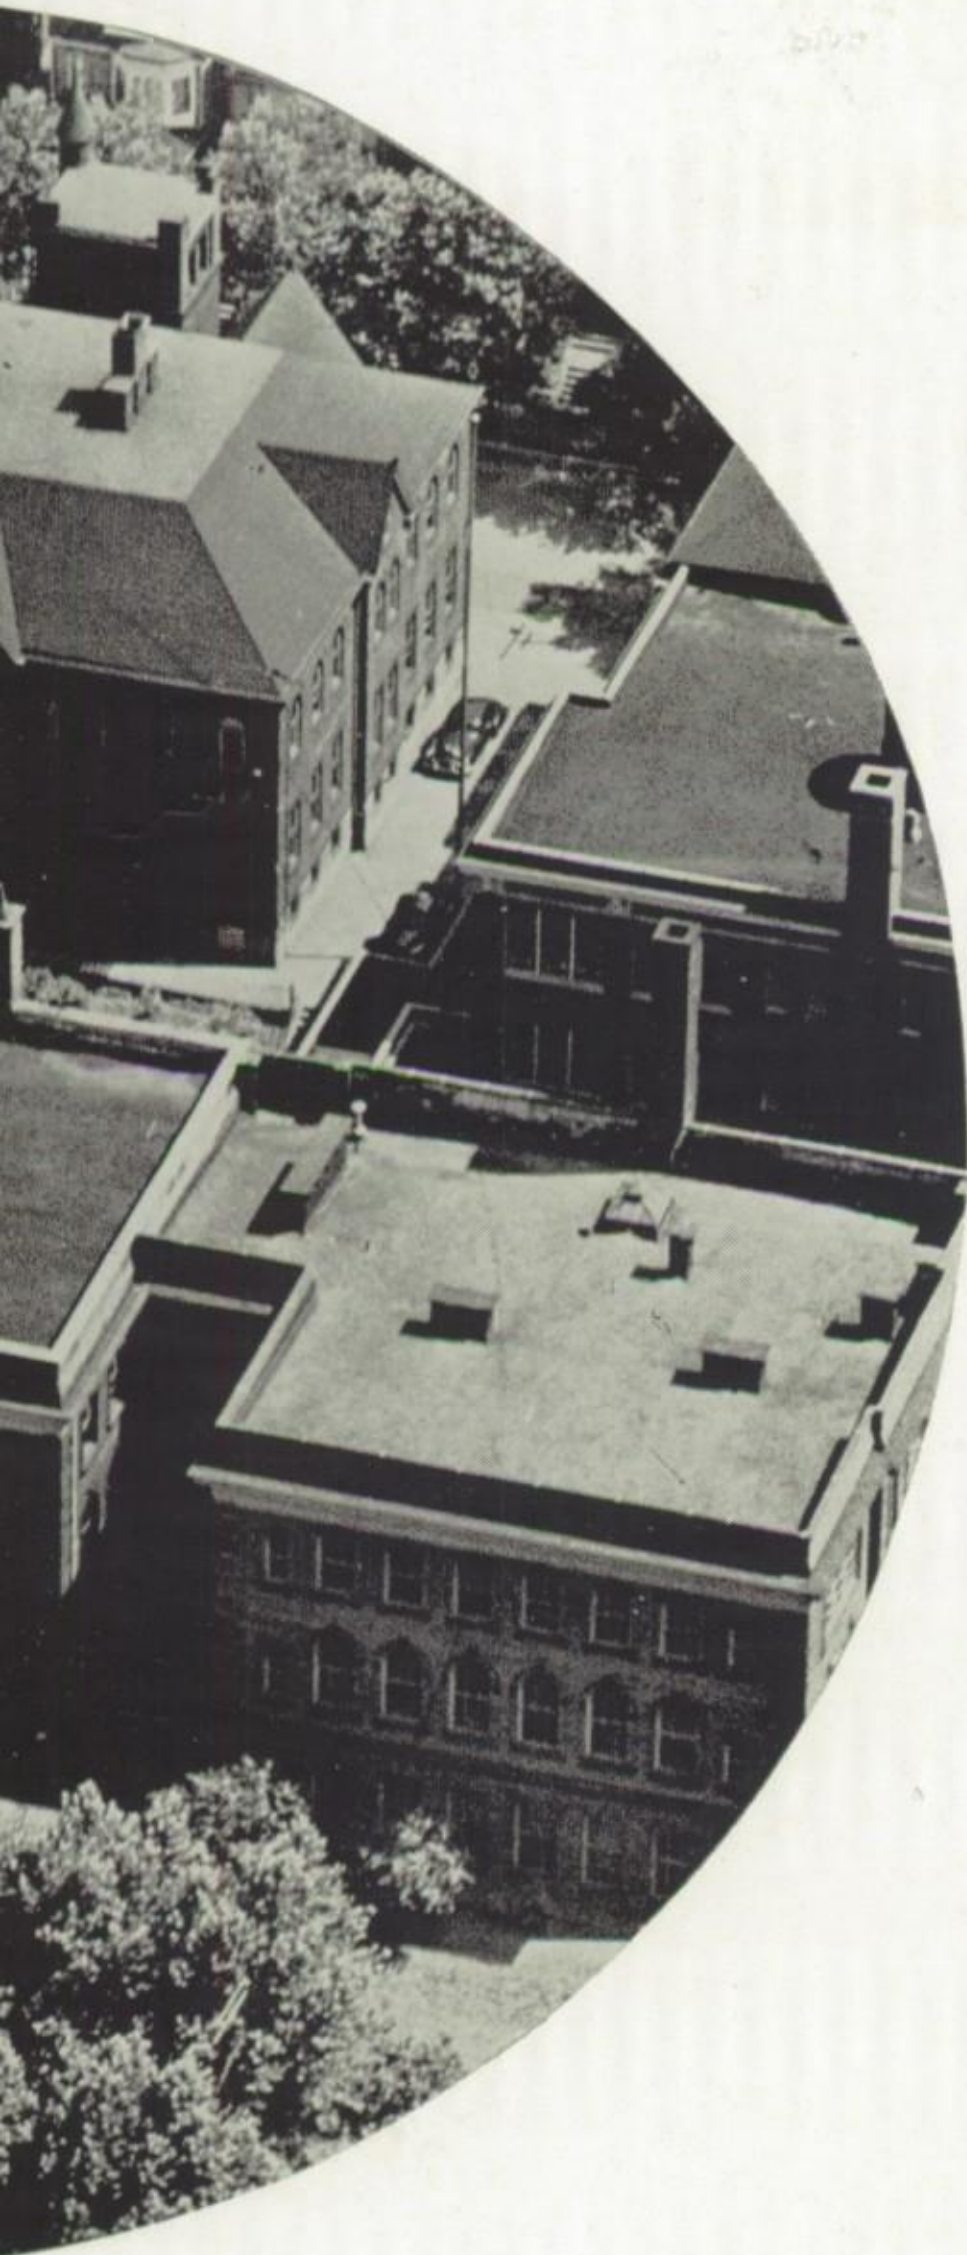

The image shows three overlapping black calendar cards for the months of September, October, and November in 1953. The top card is for September, showing days from Sunday to Saturday. The middle card is for October, also showing days from Sunday to Saturday. The bottom card is for November, showing days from Sunday to Saturday. The cards are slightly offset, creating a layered effect. The text is white on a black background. The month names are written in a large, elegant script font at the top of each card. The day names are in a smaller, sans-serif font above the grid of numbers. The numbers themselves are in a bold, sans-serif font. The overall aesthetic is mid-20th-century graphic design.
